

2ND ANNUAL CANCER AWARENESS BANQUET

IN SUPPORT OF

FILL-UP FOR HOPE

On October 5, 2019, we are hosting our second annual Cancer Awareness Banquet. Our goal is to raise \$5,000.00, and the money raised will directly benefit cancer patients in the Pulaski, Phelps, and Laclede counties. Last year we raised nearly \$1000.00, and we purchased gas cards with 100% of the proceeds. We call this program **Fill-Up for Hope**. The gas cards were donated to the **Delbert Day Cancer Institute** through the

Marsha Wayman (on the left) and Staff

administration efforts of Interim Director, Marsha Wayman and her team at the **Phelps Health Foundation** in Rolla, MO. [See the Facebook Press Release].

Delbert Day Cancer Institute

Cancer patients in our community must travel 20 miles or more for treatments; sometimes daily for months. Transportation costs under these circumstances are significant, and understandably, burdensome on a family. Everyone has someone who has been affected by cancer. It's a devastating battle that we are all involved in, in one way or another. This small thing can make a major impact in the life of someone who's struggling with cancer.

The Banquet

We believe that awareness and early detection are key to beating cancer, and we are committed to getting the word out. On each table, whose color represents a different cancer, we provide literature on prevention and the signs and symptoms to look for in each kind of cancer. We have a keynote speaker, which this year is Marsha Wayman, from the Phelps Foundation in Rolla, Missouri.

Breast Cancer

Prostate Cancer

Stomach Cancer

We hope that you will help us by helping people in our community fight against cancer.

OUTREACH EMPOWERMENT CENTER

[ABOUT US](#)

Metamorphosis Outreach Empowerment Center (MOEC) is an outreach and a church. We've been active in making positive contributions in this community for the past 9 years. In 9 years, we've served in excess of 31,500 meals to our senior citizens and the community at large. In addition we've helped families through our food pantry, contributions to Snack-In-A-Pack and the yearly back to school event, plus monetary assistance to families in need.

We are asking that you help us support cancer patients in our community by being a sponsor of our Cancer Awareness Banquet which is being held at our center. In appreciation of your sponsorship, please see the Sponsor Benefits page. We hope that we can all work together to make this event a resounding success for this worthy cause. Thank you in advance for your consideration.

With All God's Blessings and Favor,

Pastor, Dr. Miki Collier
